**The Senior Law Day Collaborative and Livable Communities
Caregiver Collaborative are pleased to be co-sponsoring this webinar.**

Our first panelist - Agnes Nowak of the Department of Senior Programs and Services – will provide an outline of caregiver resources available through Westchester County. Next, Jessica Flores of the Alzheimer's Association Hudson Valley Chapter - will provide an overview of COVID-19 and caregiving, plus resources and tips available from the Alzheimer's Association. We will conclude with Nettie Harper of Inspired Memory Care sharing programs and resources (accessible through technology and other means) that can foster engagement in life-enriching experiences during periods of isolation.

Limited to first 100 participants
