Elder Fraud: How to Protect Yourself from Technology Scams

Presented by Kish Melwani, President of ServiceByte; With 20 years of Information Technology experience, Kish specializes in computer support, security, networking and cloud services. ServiceByte provides support remotely and on-site to Westchester seniors.

Each year, millions of elderly Americans fall victim to some type of financial fraud. Criminals gain their trust and use technology to steal their money. Kish Melwani of ServiceByte will explain how to identify and protect yourself from these criminals.

By the end of the presentation, attendees will understand:

- The tactics scammers often use
- How well-known scams are carried out
- How to protect yourself from scam attempts
- Where to get more information about scams, including updates and alerts
- What to do if you are scammed
